Frequently Asked Questions:

Will my press release be submitted to major TV, Radio, Newspaper & Magazine outlets?

Yes! Including all other media outlets for maximum leads

If the media request additional materials, do I send them out?

Yes, on this plan you do. If you would prefer a publicist to work with the media on your behalf, this plan is not for you. Request a "Traditional" Ascot PR campaign

Does everyone get good results from this plan?

Yes, and we monitor your results to make sure you do!

What if I want to continue on with this plan, at this rate, for several months?

Just fill out the continuation section of your original agreement each month and send it to Ascot Media

What is the difference between Ascot Media Group and most of the other PR Firms?

We charge a fraction of the cost other PR firms charge, and we don't confuse efforts with results! We get results!

Once I have requested this plan, how long will it take for my plan to start?

Usually within one week

How can I be sure that I will receive many media leads? Also, am I likely to get national exposure?

Call any of our clients, and definitely read their (full contact) testimonials at our site. Our testimonials say it all!
